## What Fab Slabs Timber does

We mill and kiln dry all our own timber on the Sunshine Coast. This way we can control the quality and moisture content of every slab.

We manufacture awesome kitchen bench tops, vanity tops and custom made quality furniture Check our photos pages for examples.

For those people who already have their own timber slabs we dress timber to a highly polished finish (this is fairly inexpensive) and can repair cracked and damaged slabs in most cases.

How does Fab Slabs select our timber slabs?
