Negawatts Electrical is based in Maleny and is owned and operated by Gary Phillips. We specialise in Grid Connected Solar Power System installations and are fully certified by the Clean Energy Council (License Number P3655). We are also licensed Electrical Contractors (Qld Licence Number 70412).

Gary is also a qualified Electrical Engineer and can undertake an Energy Audit on your home and advise you on how to reduce your energy use (carbon footprint).

We also specialise in Smoke Alarm installation and Testing for private residences or Real Estate rental properties.

Can You Be found Online?

www.dogg-webdesign.com

**100% Free**

List your business today, you get a map, a brochure, you can advertise products and links to your site, contact form and advertise your businesses specialties.

Some Directories Charge 100's for this kind of exposure. set it up right and without even your own website you could have 10 pages on the internet, that means ten more chances of being found on search engines!!
